

ZiiTrend Sports goes BETA – ZiiTrend.com

Predict your favorite games in NFL, MLB, NBA and NHL

It is our pleasure to introduce a new sports prediction section on ZiiTrend.com. Users can now predict their favorite games in **NBA**, **NHL**, **NFL*** and **MLB***. To view game predictions in the current season, please visit:

- **NBA:** <http://www.ziitrend.com/predict/schedule/nba>
- **NHL:** <http://www.ziitrend.com/predict/schedule/nhl>
- **NFL*** (off season): <http://www.ziitrend.com/predict/schedule/nfl>
- **MLB*** (off season): <http://www.ziitrend.com/predict/schedule/mlb>

Unlike other regular predictions on ZiiTrend, all game predictions are auto generated and scored, so users are guaranteed to be able to find their favorite games. The new section also includes the new team pages for team news, photos, comments, videos and statistics. For a sample team page, please visit:

About ZiiTrend.com

ZiiTrend.com is a home for predictions by the online community.

The idea of **social prediction** is that, **a community can predict the future better than any individual can**, through collective prediction and knowledge exchange.

ZiiTrend.com is a pioneer of social prediction platform launched on September 25th, 2007. This site is inspired by the concept of [Prediction Market](#) and [The Wisdom of Crowds](#). What differentiate ZiiTrend.com from prediction market sites are its social elements. It encourages users to have fun “seeing” the future by actively exchanging ideas and information. This social prediction phenomenon will change the way we see the future.
